

# COMMUNITY ALERT

## Active Neo-Nazi in Your Area

Meet Lawrenceville resident Aaron Christopher Krueger. Krueger is a member of Patriot Front, a white supremacist organization. Over the last half year, Krueger has scattered thousands of pieces of propaganda for Patriot Front throughout Metro Atlanta. The aim of Krueger's propaganda spree is to create a climate of fear for people of color, Jewish people and sexual minorities, and to build the profile of his neo-Nazi organization.

Krueger's address is listed as **760 Leila Lane in Lawrenceville**. The vehicle used by Krueger for his clandestine Nazi activity is parked outside. We believe residents should be aware of the active white supremacist operating in their midst.

Patriot Front emerged last year after the bloody "Unite the Right" rally in Charlottesville, Virginia. The organization is an offshoot of another white supremacist group named Vanguard America. At Charlottesville, James Alex Fields, Jr. was photographed holding a Vanguard America shield. Later in the day Fields performed an ISIS-style vehicular attack against anti-racist protesters, murdering one and injuring dozens. Vanguard America denied that Fields was a member, but never denounced his murderous attack. (Patriot Front has not denounced it, either.)

Patriot Front's violent agenda is clear. In October, one member of Patriot Front was arrested with other white supremacists, after a shot was fired at an anti-racist protester in Gainesville, Florida. More recently, an individual linked to Patriot Front in Illinois was arrested for his weapons cache. Combat training features prominently in Patriot Front recruitment materials.

Due to Krueger's extensive propaganda activity for Patriot Front over the last half year, and due to the violent nature of Patriot Front, we believe that Aaron Christopher Krueger is a genuine threat to Metro Atlanta residents. Warn your friends and neighbors. Keep each other safe.
